GOIN' OUTTA MY HEAD by Ella Fitzgerald

Let band get into groove at the beginning. Russ will

Short
2 bars

Well I think I'm going out of my head

Drum keep to bring me in

Yes I think I'm going out of my head over you, over you

I want you to want me I need you so badly

I can't think of anything but you yeah

And I think I'm going out of my head

Cause I can't explain these tears that I shed

Baby over you, over you

I see you each morning

But you just walk past me

You don't even notice I exist

Chorus 1

Going outta my head over you.

Outta my head over you.

Outta my head, day and night, night and day,

it's wrong, wrong or right.

I must think of a way, into your heart.

Now there's no other reason why we should be apart.
