STREET LIFE by Will Jennings / Joe Sample

Street Life, Street Life
Street Life, Street Life

Verse 1:

I play the street life
Because there's no place I can go
Street life
Cause it's the only life I know
Street life
There's a thousand parts to play
Street life
Until you play your life away

Street Life, Street Life
Street Life, Street Life

Verse 2:

Street life
You can run away from time
Street life
For a nickel or a dime
Street life
But you better not get old
Street life
Or you're gonna feel the cold

Bridge:

You let the people see
Just who you want to be
And every night you shine
Just like a super star
That's how my life has played
A ten cent Masquerade

**You dress, you walk, you talk
you're who you think you are**

**Street Life, Street Life
Street Life, Street Life**

INSTRUMENTAL: 16 bars

Because there's no place I can go
Street life

Street life
Til you play your life away,**

**um hmm, yeah, yeah
um hmm, yeah, yeah**

**Street Life, Street Life
Street Life, Street Life
