THIS MASQUERADE

By George Benson

Are we really happy here
With this lonely game we play
Looking for words to say
Searching but not finding
understanding anywhere
We're lost in a masquerade

Both afraid to say we're just too far away
From being close together from the start
We tried to talk it over but the words got in the way
We're lost inside this lonely game we play

~~memories~~
Thoughts of leaving disappear
Every time I see your eyes
No matter how hard I try
To understand the reasons
Why we carry on this way
We're lost in a masquerade

Instrumental Flute/keyboard
